CONGRATULATIONS TO THE WINNERS OF THE TME FEDERAL CREDIT UNION SCHOLARSHIP AWARDS

Left to Right - Kathi Smurda, Manager; Addie Jochum; Makenzie Hines; Janet Stagani, Chairman of the Board; and Tiffany Frohnapfel, West Liberty Branch staff

Makenzie N. Hines and Addie R. Jochum were awarded the TME Federal Credit Union Scholarships for 2013. This is the first time the scholarship program has been implemented.

Makenzie N. Hines, of New Cumberland, attends Franciscan University and is employed as a full time nurse at Trinity Health System. She is working towards her masters degree as a family nurse practitioner.

Addie R. Jochum, of Wheeling, is a full time student at West Liberty University and is studying to become a Certified Registered Nurse Anesthetist.

We congratulate both winners of the TME Federal Credit Union Scholarships and wish them success in their future endeavors.

A WARM WELCOME

TO STEEL CRETE FEDERAL CREDIT UNION MEMBERS

On March 1st, 2013, TME Credit Union welcomed Steel Crete Credit Union members as the two credit unions reached an agreement to merge operations.

Steel Crete Credit Union was founded in 1963 with their primary field of membership being the employees and family members of Wheeling Steel Company located in Beech Bottom, WV. They have assets exceeding $1 million and over 220 members.

Steel Crete members will be able to access their accounts at Tin Mill's main office in Weirton, the branch location in West Liberty and the former Steel Crete office in Beech Bottom.

Tin Mill Credit Union is looking forward to serving our new members and expanding our presence in the Ohio Valley area. The merger will provide many new products and services for the Steel Crete members.
