ARE YOUR BENEFICIARIES UP TO DATE?

One of the most important things you can do regarding your accounts at the credit union is to keep your joint owners/beneficiaries up to date.

This information is especially important if you have married, divorced or had a loved one pass away since you originally opened your accounts.

You should review this information on an annual basis on all your financial accounts. This applies not only to your accounts at the credit union but to life insurance policies, pension plans, IRA's etc.

Call or stop by today to make sure all of your information is up to date. It only takes a few minutes to make any necessary change and could save a lot of time in the future.

New Christmas Club accounts start on October 1, 2015 and end on September 30, 2016. On Thursday, October 3rd, 2016 the funds in your Christmas Club Account will be automatically transferred directly into your Savings Account.
