People Helping People®

International Credit Union Day®

October 15, 2015

On Thursday, October 15th, more than 200 million credit union members around the world will celebrate International Credit Union Day and the superior service they receive at their credit unions. Everyone who deposits money in a credit union joins the cooperative and becomes a member.

Since 1948, on the third Thursday of every October, credit unions have celebrated a simple but radical idea---that by working together, people can improve their financial well-being. "People helping people," this year's ICU Day theme, is the foundational philosophy of the credit union movement, going back to the very beginning.

2015 CHRISTMAS CLUB CHECKS IMPORTANT REMINDER

On Thursday, October 1st the funds in your Christmas Club Account were automatically transferred directly into your Savings Account.

Whether you are grocery shopping, dining or taking in a movie, you are always on the go. So why not make your day easier with the convenient use of Tin Mill VISA Check Card. The Tin Mill's VISA Check Card acts like a "plastic check." It allows you to use the card instead of writing a check. Even better the VISA Check Card can be used as an ATM card to receive cash. Best of all, with our Home Banking tool NETBRANCH, you will be able to monitor your purchases and cash withdrawals anytime of the day on your computer.

To obtain a VISA Check Card, you must have a Share Draft Account with the Credit Union. And, there are other requirements that may apply. Contact the credit union for more information on how to obtain a Visa Check Card and make your day easier.
